

Call for expression of interest to wine and paper companies to participate in the Switchmed Project on Product Environmental Footprint

Reference is made to the EU funded **Switchmed Project on Product Environmental Footprint** (PEF) that is implemented by UNIDO in partnership with the Ministry of Industry and the Ministry of Environment and in collaboration with the Association of the Lebanese Industrialists and the Chamber of Commerce, Industry and Agriculture of Beirut and Mount-Lebanon.

Kindly be informed that the project is planning to **apply PEF methodology in 2 companies from the wine and paper sector at a pilot scale.**

Accordingly, wine and paper companies that are interested to determine the environmental footprint of one of their products, are invited to fill in the enclosed **“Declaration of Cooperation Form”** and send it to n.sabra@unido.org with a copy to v.anastasov@unido.org **no later than May 19, 2017**. Details about the wine and paper products eligible for the PEF study and about PEF data requirements and confidentiality considerations are also enclosed within this announcement for kind information.
